## Tuke GCA02U (Unisex)

Available in two season appropriate fabrics, MidZero & SubZero. Fully sublimated technical head coverage for warm-ups and winter season performance.

- SubZero is a power-packed brushed Poly/Spandex that provides intense warmth and moisture wicking
- MidZero is a full stretch wicking midweight base layer that is fleeced on the inside for amazing comfort

**SIZES:** ONE SIZE  
**FABRIC:** AVAILABLE IN MIDZERO OR SUBZERO

## Leg Warmer GCW02U (Unisex)

The Custom Leg Warmer is made from fully sublimated SubZero for dense, powerful warmth and DWR protection, while the hinged knee and ankle zip add convenience and comfort.

- SubZero is a power-packed brushed Poly/Spandex that provides intense warmth and moisture wicking
- 7 inch locking ankle zippers
- Signature grip leg elastic

**SIZES:** XS-XL  
**FABRIC:** SUBZERO

## Swag-O-Bago GCA90U

The multi-purpose bag features zone construction with mesh side panels, a zippered front pocket, and two water bottle pockets. The cinch straps on the Swag-O-Bago double as shoulder straps, making this a truly functional and well-designed item that everyone can appreciate.

- 100% Nylon offers water resistant performance.
- A handy solution for storing and carrying your shoes, helmet and accessories
- Custom screen print ready

**SIZES:** ONE SIZE  
**FABRIC:** NYLON  
**COLORS:** BLACK

## Knee Warmer GCW03U (Unisex)

The Custom Knee Warmer delivers full-stretch, fully sublimated convertible leg warmth for transitional seasons and crisp morning rides.

- MidZero is a full stretch wicking midweight base layer that is fleeced on the inside for amazing comfort
- Signature grip leg elastic

**SIZES:** XS-XL  
**FABRIC:** MIDZERO

## Arm Warmer & Sunblock Arm Sleeve GCW01U (Unisex)

Available in two season appropriate fabrics, MidZero & FinoStretch. The Custom MidZero arm warmer provides effective convertible three-season thermal arm protection with bright, sharp full sublimation. The Sunblock Arm Sleeve offers high UV protection and aero coverage with minimal bulk and maximum technical performance.

- MidZero is a full stretch wicking midweight base layer that is fleeced on the inside for amazing comfort with UPF\*\*: 20 - high protection.
- FinoStretch is a lightweight stretch base with maximum moisture transfer and minimal retention
- Signature grip arm elastic

**SIZES:** XS-XL  
**FABRIC:** AVAILABLE IN MIDZERO & FINOSTRETCH

\*\* UPF: Ultraviolet Protection Factor
