Fuel Tri Tank

GCQ03U (Male) / GCQ03F (Female)

Essential race and training tank with huge sublimation area and proven performance.

- Matrix is a soft, textured microfiber yarn blended with Spandex for full stretch and moisture management
- Matrix front and center back with Vector Stretch Mesh side panels
- Higher front neckline to reduce drag
- Front locking zipper stabilizes zip tab
- 2 elastic back pockets slanted at the sides for easy entry

SIZES: XS-3XL (MALE) / XS-XL (FEMALE)

FABRIC: PFP / VECTOR STRETCH

NRG Short

GS85U (Male) / GCS85F (Female)

High performance Tri/Run short with large sublimated panels. All around fitness and running short with fitted silhouette.

- Matrix is a soft, textured microfiber yarn blended with Spandex for full stretch and moisture management
- Breathable, moisture wicking fabric
- 6 panel contour
- Inside key/card pocket at waist
- Signature grip leg elastic
- Preplaced stretch drawstring with comfort elastic waistband
- 2" comfortable compression band at hem allows for added customization
- No chamois option is available

SIZES: XS-2XL (MALE) & XS-XL (FEMALE)

FABRIC: EVOPLUS / PFP

CHAMOIS: TRILITE (8" SEAM FOR MALE, 6" FOR FEMALE)

RS Tri Tank

GCQ04U (Male) / GCQ04F (Female)

Elite level custom raceday tri tank elevated with Ultra-Aero 2 fabric's wind cheating performance.

- The open air architecture of Vector Stretch creates a cooling environment between your skin and the fabric
- Ultra-Aero 2 fabric has high performance and aerodynamic grid construction-the ultimate in moisture management.
- Vector Stretch Mesh back panel
- Higher front neckline to reduce drag
- Flat seams for increased comfort
- Front locking zipper stabilizes zip tab
- 2 elastic back pockets slanted at the sides for easy entry

SIZES: XS-2XL (MALE) / XS-XL (FEMALE)

FABRIC: ULTRA-AERO 2 / VECTOR STRETCH

RS Tri Short

GS82U (Male) / GCS82F (Female)

High performance Tri/Run short with large sublimated panels. All around fitness and running short with fitted silhouette.

- Matrix is a soft, textured microfiber yarn blended with Spandex for full stretch and moisture management
- Breathable, moisture wicking fabric
- 6 panel contour
- Inside key/card pocket at waist
- Signature grip leg elastic
- Preplaced stretch drawstring with comfort elastic waistband
- 2" comfortable compression band at hem allows for added customization
- No chamois option is available

BASE: BLK

RS Tri Suit

This pro-level race day performer is built with Ultra-Aero 2 for ultimate moisture management and sharp sublimated graphics.

Tri Suit Top

GCQ42U (Male) & GCQ42F (Female)

- The open air architecture of Vector Stretch creates a cooling environment between your skin and the fabric
- Ultra-Aero 2 fabric has high performance and aerodynamic grid construction-the ultimate in moisture management
- Higher front neckline to reduce drag
- Flat seams for increased comfort
- Front invisible zipper for clean art appearance
- 2 elastic back pockets slanted at the sides for easy entry

SIZES: XS-2XL (MALE) / XS-XL (FEMALE)

FABRIC: ULTRA-AERO 2 / VECTOR STRETCH

CHAMOIS: TRILITE (7.5" SEAM FOR MALE, 6" FOR FEMALE)

BASE: BLK

Tri Suit Bottom

GCQ92U (Male) & GCQ92F (Female)

- Ultra-Aero 2 is a dimensionally-constructed knit with a dimpled, golf ball-like surface to create less friction and superior aerodynamics when moving through the air
- 8 panel contour
- No inseam to reduce under chamois bulk
- Flat seams for increased comfort
- Signature grip leg elastic
